## WORK EXPERIENCE

Anderson Group BPO Inc.,

2017 - 2018

Software Developer Intern / Project Manager

- Using HTML, CSS and PHP we created and maintained the company's website.
- We created the following:
  - HROnline - Created and maintained a website for Anderson using, HTML, CSS, PHP.
  - Payroll - Created a brand new payroll system using CSS, C#, PHP, HTML.
  - ElectronicLogBook- A system for employees attendance that would scan your ID at the same time you need to input your pin to clock in and out. We created this system using Javascript, C#, CSS.
  - AndersonSurvey, AndersonForms - this are the type of system that we created using C# after we succeeded we merge this system to our other existing system.
- Promoted as Project Manager and tasked to do the following:
  - Manage the 42 software development interns.
  - Weekly meeting with CEO,HR and leader of each departments to present the progress and requested changes of each systems.
  - Tasked to interview applicants for internship.
